PROFILE

Hi, I'm a skilled Frontend Developer with expertise in Next js, React Js, HTML, CSS, JavaScript. I am passionate about creating wonderful user experiences and interfaces that are comfortable to use by everyone in the web.

PROJECTS

● Portfolio Web App

Developed a responsive and modern portfolio website using React, Firebase, and Tailwind CSS, featuring a clean UI and integrated Firebase form handling for seamless data storage.

● Netflix Clone

Created a Netflix clone using React js, Tailwind CSS, and Firebase. Features include user login/logout, displaying top streaming shows, and responsive design.
